PRINCIPAL'S

MESSAGE

On behalf of the entire staff at West Campus, I would like to congratulate all the students who have contributed to making the year 1977-78 a pleasant and successful experience.

I was particularly impressed with our students participating in Berkeley's Centennial Celebration.

The Art classes, taught by Jan Valtr, did a tremendous job in decorating our school with murals and decorating city garbage trucks for the Centennial.

Special thanks go to the Creative Writing classes and Publication classes for their outstanding publication the "Times" and the dedication of their faculty sponsor, Mrs. Holsing.

My best wishes to the ninth graders who are going on to Berkeley High School, and I will look forward to seeing the seventh and eighth graders next year.

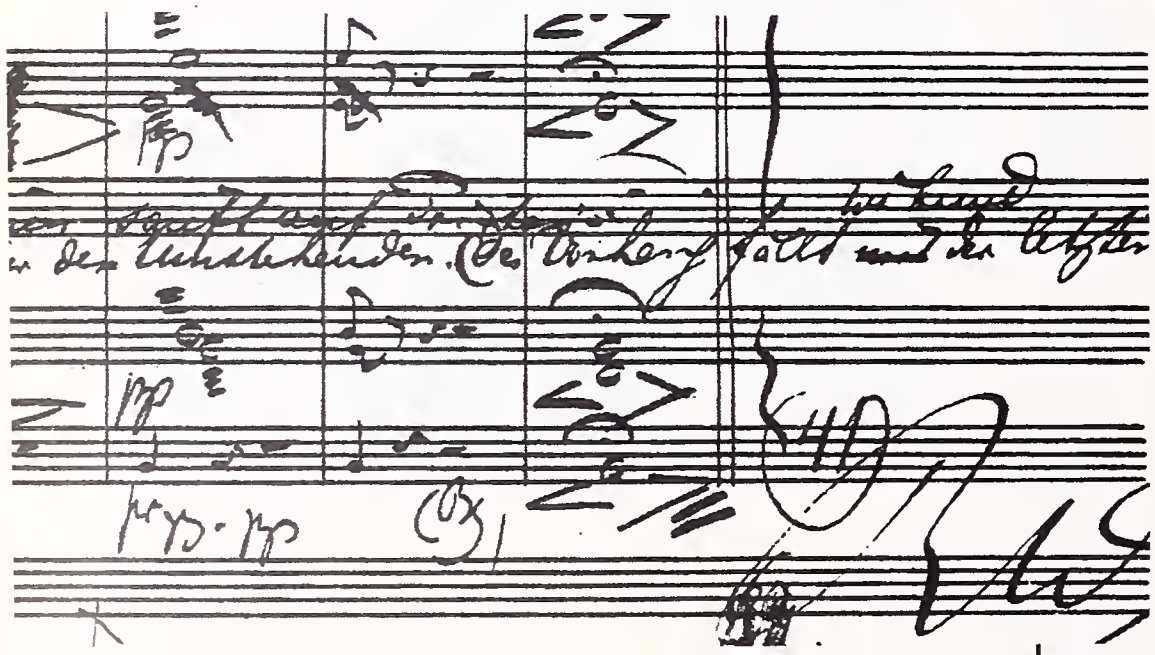
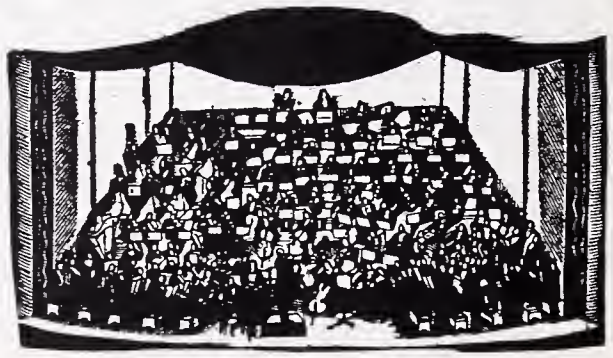
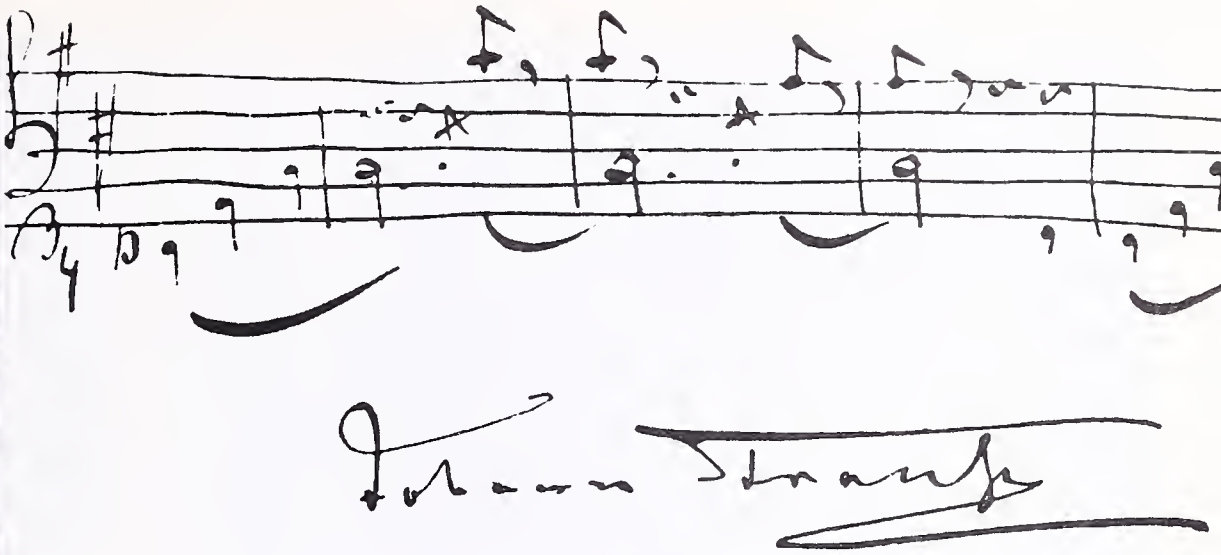
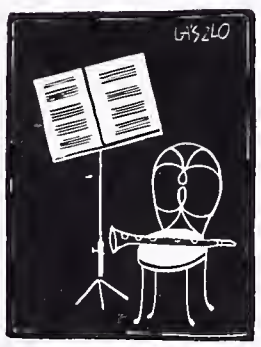
Symphonic Band

Under the direction
of Mr. Xenelis









Again this year, Mr. Xenelis directed the Symphonic Band, which met 3 times a week during 8th period. The band performed several well-received concerts this year.

JAZZ BAND

The Jazz band, under the direction of Mr. Hardymon, was really good this year. They had four concerts: one at the mass Jazz band festival, at which King, BHS, and all 4 through 6 schools played; two at West Campus, and one at a neighboring high school. All of the concerts went extremely well, and every body sounded fantastic.

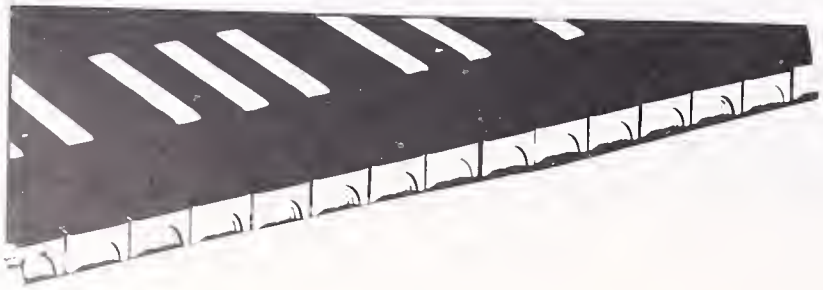
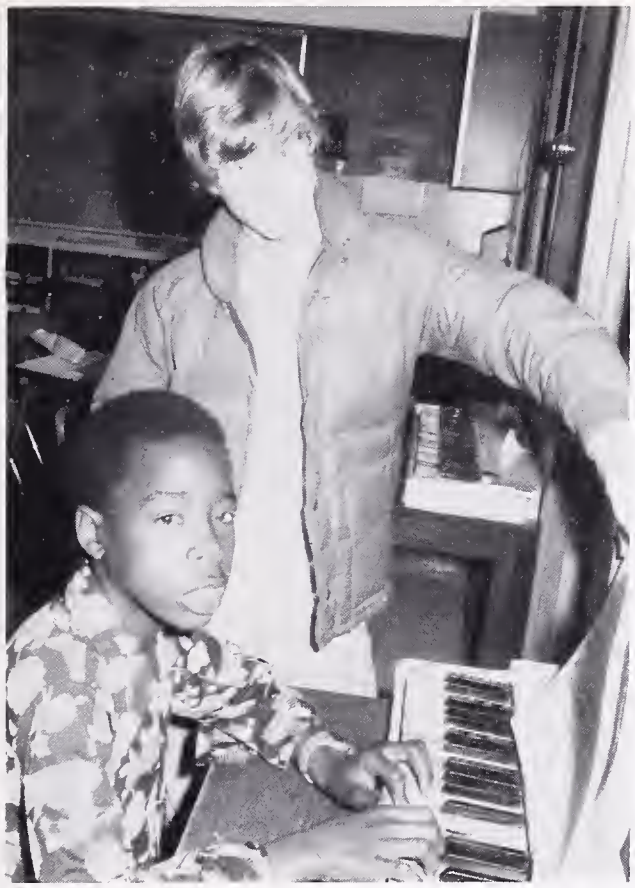
PIANO





PIANO

Ms. Doris Taper taught two piano classes this year. The students ranged from beginning to advanced. For example, one student, Doris Andrews, plays many other instruments and composes music in addition to her work on the piano.

A.S.U.

This year's Asian Student Union, although it had some good goals, wasn't as sucessful as its members wished it had been. The ASU's main goal was to eliminate many Asian stereotypes. The ASU participated in a number of things such as a Japanese festival in San Fransisco and a bake sale at school.

There were not enough candidates to have a student council election this year, but those candidates who met the academic and citizenship standards were asked to serve on the council. The council did many things for the students including a bake sale, a St. Valentine's Day dance, a domino and checker tournament, a St. Patrick's Day dance, a talent show, a trip to Great America, and an awards day. Despite the lack of an election, the council members earned the approval of the student body through their quality work.

M.E.S.A. (Mathematics, Engineering, Science Achievement) is a program designed to encourage high school students (grades 9-12) to enter math, engineering, and science, and related technical fields. The program is sponsored jointly by West Campus and U.C.'s Engineering Department.

SWIM TEAM

West Campus had a swim team which got underway in early February. Students from 7th, 8th, and 9th grades worked out after school for about an hour each day. Coach Agretelis had them swim up to 2,000 yards every day. In the spring the team competed against King Jr. High.

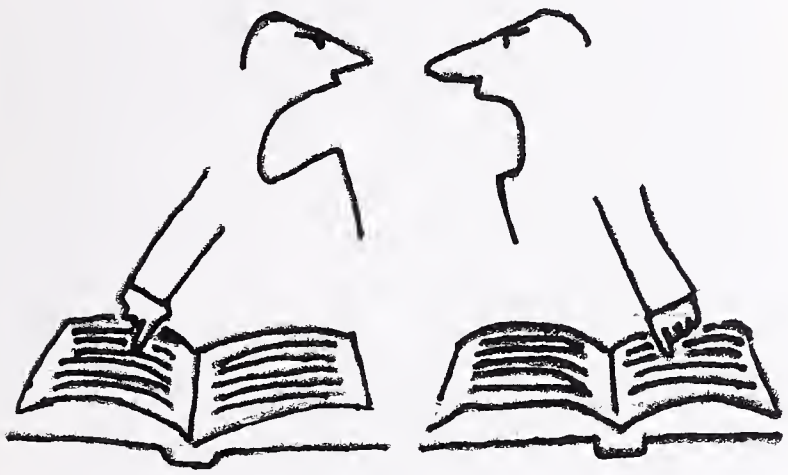
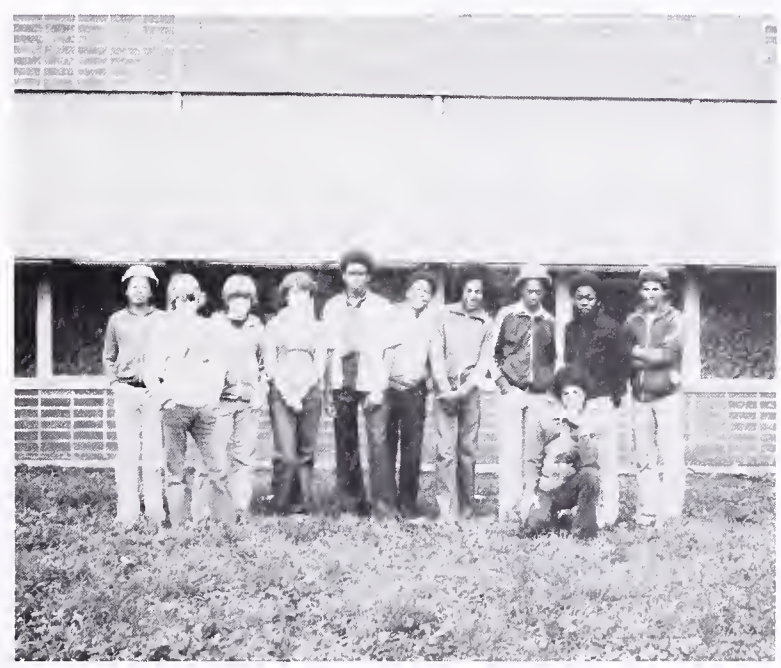
Girl's Basketball Team '78

This year, for the first time ever, West Campus had a girl's basketball team for 7th, 8th, and 9th graders. The team, coached by Mr. Mitchell, had a good year. Everyone really enjoyed playing. Mr. Mitchell felt pleased with the team, and said he was happy with way the girls improved throughout the year. All in all, it was a fun year.

DEBATE



I WE



This year, Joel Kaji participated on the Berkeley High Speech and Debate Team. He competed in the Golden Gate Speech Association, which spans the Bay Area. There were weekly Saturday Tournaments where he did individual speaking and debate with his partner, David Braun, who attends Berkeley High. At one point in the year, the whole squad competed in Crescent City, where BHS won sweepstakes. When asked if he would continue, Joel replied,"Sure, for the rest of my high school days."

Push-ups as punishment

Water Polo

The water polo class/team met every school day during the normal lunch hour (i.e. 11:50-12:25). They competed against Junior Varsity (J.V. in the common vernacular), and the 9th graders from Berkeley High.

Since water poloists had water polo instead of normal P.E., they ate lunch during the period they had P.E. the semester before. Hopefully, the next time they have a water polo class, it won't be so confusing. Jack (Sparky) Shaw taught the class, and, because an actual teacher was needed, Ms. Agretelis supervised.

The West Campus football team, led by coach Chico Mendoza, had an excellent season. They won their first 5 contests before dropping the last two. The high point of the season came when the Jackets beat Richview on the next to last play of the game with an 82-yard touchdown bomb from Don Brooks to James Ferguson. Keith Lawson was too much for most opponents to handle, with his power and open-field running ability. In one game, Keith rushed for an unheard-of 165 yards in only 5 carries. Despite some sparkling individual efforts, however, it was a team effort which led the Jackets to their excellent mark.

Keith Lawson shows the way as James Ferguson rolls up the yards.

Another potential two points for W.C.

What more can you say about a team that had a 14-0 record? A team whose leading scorer broke the school record, which was held by one of the best collegiate players in the country? A team whose smallest margin of victory was nine points? The West Campus 9th grade basketball team, coached by Stelton Mitchell, had one of the best seasons in the history of the sport. In the game against Albany, Vince Washington scored 44 points and broke Gene "The Dream" Ransom's school record of 42. The Jackets took top honors in the St. Elizabeth Frosh Tournament, routing Encinal and perennially tough McClymonds, and coming from behind to beat Bishop O'Dowd.

Hervey Rogers puts up a shot.

A very special thanks to Mr. Millinger for all his help this year with the West Campus Times.

A Special thanks to our former staff who came back from Berkeley High to help us finish the yearbook.

Thanks also to Ms. O'Malley for her help after school.

"Ya can't wear that, they don't exist."

It's the Katz meow.

Something's wrong here. People laying out a page never smile.

"My hair's a mess"

How utterly ridiculous!

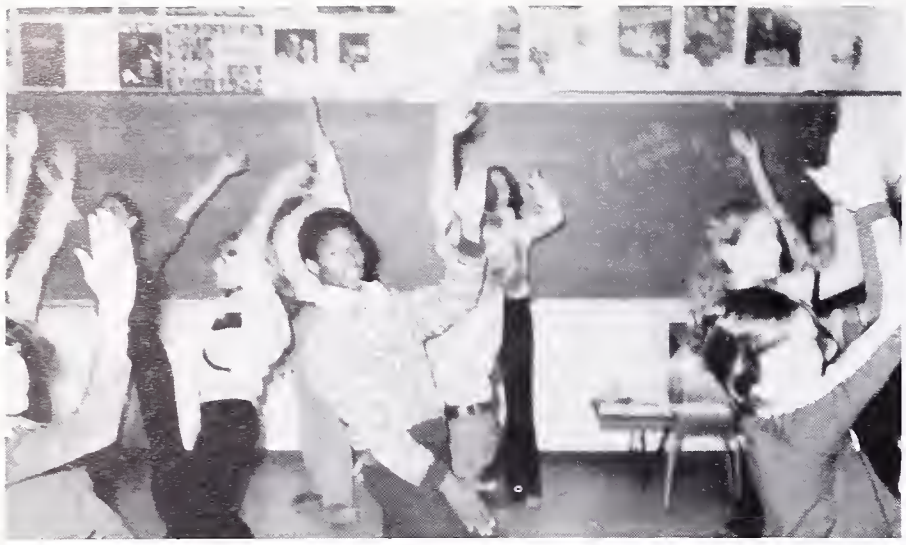
DRAMA



ADV. DRAMA

On December 9th & 10th drama classes from King, Berkeley High, and West Campus did a production at the Florence Schwimley Little Theater called "The Good Ol' Bad Ol' Days." The production had scenes from many plays, and included the songs "It's a Hard Knock Life", "Tomorrow", and "We'd Like to Thank You, Herbert Hoover" from the hit musical Annie. Over 200 students participated in the event. Except for the minor fact that the show was one and a half hours longer than expected, it was extremely well done.

During the year both the advanced and beginning students had a "Lunch Box Theater" where other students could eat their lunch and watch various scenes for a dime.

The drama classes held a spring open house, which was in the style of a two hour "Lunch Box Theater". The students performed various scenes and musical numbers for their parents.
